

## ***Professor Will Steffen – Australian National University***

Professor Will Steffen is Executive Director of the ANU Climate Change Institute at the Australian National University (ANU), Canberra, and is also Science Adviser, Department of Climate Change, Australian Government.

From 1998 to mid-2004, he served as Executive Director of the International Geosphere-Biosphere Programme, based in Stockholm, Sweden. His research interests span a broad range within the field of Earth System science, with a special emphasis on terrestrial ecosystem interactions with global change; the global carbon cycle; incorporation of human processes in Earth System modelling and analysis; and sustainability, climate change and the Earth System.
